## RECTOR'S MESSAGE

Don Bosco English Medium School Azimganj has just begun to bloom. Bloom where you are planted. Every one of you are planted on this beautiful garden, so try to bloom as bright as possible with the sound value-based education. We try to form in the students habits of piety, virtue and discipline through Don Bosco's Educational Method commonly known as Preventive System. It is an application of reason, religion and loving kindness.

Francis Bacon says, 'A wise man will make more opportunities than he finds.' Our Institution provides ample opportunities for everyone to grow and become successful. Dr. William Easton found that successful people go hunting for inspiration almost as one hunts for game. They go where they are likely to find it. Although inspiration is uncontrollable, the chances that it will occur can be increased by enlarging the stock of ideas in the young minds and by multiplying our capacity for observation. "Ask and you will receive, seek and you will find. Knock and the door will be opened to you" - Jesus.

Fr. Ajay Kumar Sardar, SDB.(Rector)

## PRINCIPAL'S MESSAGE

Dear friends and well-wishers.

As the second edition of DBEMS- INSPIRE will reach you, I convey my cordial greetings to everyone. The initial stage of the starting and setting up of DB English Medium School Azimganj is gradually giving rise to the growth and development of an institution with the construction of a new school building, increase of staff and ushering in of new students each year. The goal of providing quality education with affordability and the promotion of welfare of the society through education are achieved with meticulous planning and hard work.

DBEMS-INSPIRE is a record of activities and events, mainly aimed at promoting reading habits among the children. I am sure that this small but significant initiative will be instrumental in spreading the knowledge of St. John Bosco and his Mission here at Azimganj. I firmly believe in the dictum that whatever you do, it must be done with complete passion, concentration, sincerity, perseverance and patience. I wish that this newsletter will truly inspire everyone and may St. John Bosco continue to lead us forward.

Wish you happy reading.

Fr. Noby K. George, SDB. (Principal)

# Editorial

Dear Readers,

Greetings to you all!

The editorial team of Don Bosco English Medium School Azimganj is contented to present to you the 2nd Edition of our News Letter DBEMS-INSPIRE featuring various events and academic life of our school. This News Letter is the result of hard work and combined efforts made by the teachers and children. I take the opportunity to acknowledge our Respected Principal Fr. Noby K. George for his constant support and guidance in unleashing the talents of our budding

students. I would like to extend my gratitude and express my appreciation to all the teachers for their contribution in bringing out this edition of our News Letter.

The publication of this News Letter is a window to showcase the imagination and creativity of the young minds of our school. This News Letter itself is an epitome and a trace of development, as it contains the articles of various interesting activities and events that took place within the first semester of this session (2023-24). The educational scenario is challenged every new day with higher aspirations and demands. It is only when we equip our children with the correct knowledge and right value-system that they will be able to meet the challenges of the future. All round formation, and not just

bookish learning is the solution to the existing problems we face.

I encourage all the readers to go through our stepping stone journey for a happy reading time.

## INAUGURATION of the New Academic Year 2023-2024

"Welcome out of the cave, my friend. It's a bit colder out here, but the stars are just beautiful!"- Plato.

Inauguration of the New Academic Year is just a reminder to everyone that we need to find the light by coming out of our dark cave as envisaged by Greek Philosopher Plato. Light is compared with knowledge whereas darkness is seen as ignorance. The inaugural ceremony held on 4th April 2023 at 8.25 am. was graced by Rev. Fr. Ajay Sardar, the Rector of Don Bosco Welfare Centre, who led the school in prayer. He advised all the children to start the year with enthusiasm and earnestness. A ceremonial lamp was lit and children sang hymns in praise of God. Sacred Scripture of the Holy Bible

mentioning wisdom as a gift of God was read out. The choir was led by Sir Raphael. Teachers of our school sang the hymn, "Every tiny star that twinkles in the night sky... God still loves the world". Fr. Principal gave a short message in which he appreciated the teachers for organizing such a beautiful programme and motivated the children to begin anew for a bright future ahead. At the conclusion of the Prayer Service, the newly appointed class teachers led the students to their respective class rooms. The classes were decorated beautifully with inspiring messages for a new start.

# RABINDRA JAYANTI AND INVESTITURE CEREMONY

## INVESTITURE CEREMONY AND RABINDRA JAYANTI

Investiture ceremony is an important event which gives a start to the activities for the academic year. Just like other years, we organized the investiture ceremony for the academic session 2023-2024 on 9th May 2023. Sir. Raphael and Ms. Anusha had coordinated the programme. On this day, we also celebrated Rabindra Jayanti. The ceremony was held at 8.25 a.m. in the Assembly Hall of Azimganj Don Bosco High School. After everyone had taken their seats, the chief guest of the day, Rev. Sr. Sally Job who is the Superior of Shantiniloy Convent, was solemnly welcomed by Fr. Principal.

Investiture means a formal investing of a person with authority, power, office and dignity. It is rightly said that 'leaders are not born, they are made.' Year after year, it reminds us of the trust and confidence that we repose in our newly appointed student council members. Donning the mantle of responsibility, they all pledge to dispense their duties to the best of their abilities and abide by the rules and regulations of the Institution.

There was a short prayer service after which the oath ceremony was led by Fr. Principal. The prefects, vice prefects, class and house representatives pledged to work earnestly and uphold the honor and glory of the Institution. Fr. Principal thanked Sr. Superior for her availability and generosity. He encouraged the student leaders to take up leadership and grow in it. Sr. Superior gave away the badges to the Student Council members. In her speech she emphasized the need for inculcating moral values in one's life. She encouraged all the students to walk on the correct path, stick to it and be the "change".

Adding to the joy and festivity, children put up cultural dances and songs and celebrated Rabindra Jayanti meaningfully. The vote of thanks was proposed by Miss Johnica Tamaug who thanked the Cultural Committee for their contribution in making the event a grand success.

## CARROM COMPETITION

At Don Bosco English Medium School, sports and games are an integral part of daily schedule. After the long hours of ardent studies, students enjoy unmatched freshness and joy as they enter the sports and games period. ## VISIT TO THE FARM

## INTERVIEW WITH FR. RECTOR

Rev. Fr. Rector, Fr. Ajay Sardar celebrates 25 years as a Salesian. He has given himself to the Salesian Congregation to work for the poor and abandoned boys. Fr. Ajay spent most of his life here at Azimganj and worked in different capacities. On this Jubilee, DBEMS is extremely happy and wish to express our gratitude to him for his dedicated service for the young people. Miss. Babita, one of the teachers met Fr.

Rector and interviewed him on this occasion.

Congratulations dear Fr. Rector. Would you share your feelings with us as you celebrate this silver jubilee?

Reply: I personally feel happy and satisfied for what I have professed. My motto is: “তোমার ইচ্ছা করতে হবে পূর্ণ আমার জীবন মাঝে।”

‘I can do all things through Christ who strengthens me.’ – Phil 4:13

Who is a model for you in your religious life? How has she/he inspired you?

Reply: Initially my model was my first parish priest Fr. Antonie Gabric SJ. After joining the Salesian society, Don Bosco became my model. He inspired me to be with the young, love and serve the poor and have filial devotion to Mary, our mother. Don Bosco promised us, ‘work’, ‘bread’ and ‘heaven’. Leave everything in the hands of God.

Tell us some of your interesting experiences in Azimganj?

Reply: Azimganj is my second home as I have spent a major part of my life here. As a student of Don Bosco School Azimganj for four years (1988-92), as assistant parish priest in Catholic Church Azimganj (2008-09), as the administrator of Don Bosco Welfare Centre from 2017-2018 and presently continuing as the Rector from 2020. I am very happy to work among the tribal people in the parish and well as in the hostel. I have also loved taking care of the agricultural farm, piggery, goat and chicken farm and also cultivating fish in the pond. Opening an English medium school in this locality and working towards the improvement of Azimganj Don Bosco High School (Bengali Medium School) was also a challenge for me.

What is your advice for the youth of today?

Reply: Firstly, keep your faith in God. Secondly, stay true to yourself. Thirdly, do good to others.

Our school organized an inter class elocution competition in order to instill confidence in the students and encourage them to learn the art of public speaking. It was held in two rounds. 1st round was held on 21st July in the class itself, conducted by the class teachers. Best three were selected from the 1st round for the final. The final round was held on 7th August 2023.

# Visit to Cossimbazar Palace (Rajbari)

Cossimbazar Palace, established in 1735 is a hidden treasure amongst the historical affluence of Murshidabad. It's a palace with a fine example of European and Indian architecture, well-heelled history, art and culture. To promote the International day of Palaces, an art competition was organized at Cossimbazar Palace in which some of our children took part.

Fr. Principal along with two teachers, Miss Mingmar Tamang and Sir Raphael Soren accompanied the 23 of us. With much enjoyment of the journey, our group arrived at the Palace where we were greeted with a pleasant welcome by Mr. Pallab Roy, the owner of the palace. Some of our friends participated in the Art Competition which had a mythological theme. After the competition was over, we had a quick visit to the major areas of the palace. The interactive session with Mr. Pallab Roy about the Palace Day celebrations was very enlightening and interesting. The palace looked majestic with a

mesmerizing view of sprawling landscape garden around. Mr. Roy took us to the first ancestral house of the Roys, 'The Lakshmi Mandir' where he explained how his ancestors settled when they first arrived in Cossimbazar, dating back to 1700s. We then proceeded to view the majestic watch tower at the top of the building. We saw other heritage articles of antique value which were part of the palace museum. We crossed the wide verandah, the magnificent Central Ball Room, with much inspired Victorian furniture, chandeliers and antique artefacts, paintings and mirrors. The Grand Piano was much of an attraction for us where Sir Raphael played some soulful notes for us and Mr. Pallab Roy was much contented to show his collection of Legos, and we were more

excited and happier to see it. At 1.00 p.m. prize distribution was organized. We got an opportunity to meet students of schools in Berhampore, like Mary Immaculate School and Don Bosco School Berhampore. At 1.40 p.m. we bid goodbye to Mr. Roy and got inside our respective vehicles and returned to the school. We reached school at 2.30 p.m. and then went home from the school.

There is a proverb that goes, "I hear and I forget, I see and I remember. I do and I comprehend." The things that we learnt on this day will be remembered for a long time to come. Our visit will soon be part of history but we hope we will get many more chances like this in future too.

## BAGLESS DAY

## LESS DAY

"Quality in education is what makes learning a pleasure and joy".

One of the unique features of our school is "Bagless Day". Bagless day in school not only provides a platform to encourage students to participate in extra-curricular activities but also an attempt to provide a different module of learning for better outcome.

Class LKG at Don Bosco English Medium School Azimganj observed its first ever "Bagless Day" on 20th July 2023. Soon after the assembly at school, the LKG students proceeded towards the English Medium

Hostel along with four teachers and two helpers. As they moved through the field, they noticed different sorts of domesticated birds, plants and vegetables. After reaching the hostel Miss Sushila, the class teacher, gave some instructions to the students. It has been initiated to generate the interest of the students in different subjects through various activities planned thoughtfully by the teachers.

The students felt happy and free as they did not have to carry the heavy loads of books. Throughout the day they involved

in different subject related activities which exposed them to a world beyond books. The concept of "bag-less" day is a good initiative taken up by the school and it ensures that the children get an opportunity to mingle among their peers and enjoy while learning. We believe that learning to play and laugh, walk together and mix with each other and thereby enjoying the childhood days is an inseparable aspect of early school life.

## INDUCTION PROGRAMME 2023

The Induction Programme for DBEMS teachers took place at Salesian College Sonada on 15th and 16th June 2023, during the summer break. Don Bosco English Medium School Azimganj was one of the participating schools among the 14 schools of the province. The event was organized by the Education Department which is coordinated by Fr. Noby K. George. Among the total 110 participants, four teachers, namely, Miss Ankita Bagchi, Miss Johnica Tamang, Sir Diptesh and Sir Sushanto, were from Don Bosco English Medium School Azimganj.

The two-day training session commenced at 9.00 a.m. with a short prayer and words of welcome by Rev. Fr. Tony Augustine, the

Rector of Salesian College Siliguri, who also represented the Education Sector of the Provincial Council. Our sessions were animated by Rev. Fr. V.M. Thomas who was formerly Provincial of Salesian Province of Guwahati. The intended aim of the seminar was to initiate the newly inducted teachers to the Salesian methods of teaching. Through these interactive sessions, we learnt more about inclusive culture, student learning, critical thinking, communication and problem solving. It gave us an insight into the problems and solutions in the day to day management of school life. It helped us to create an environment of acceptance. After the two day animation, we had an outing to Kurseong via Chimney and Deer Park. We enjoyed the trip and the beautiful ambience of the hills.

## INDEPENDENCE DAY *Celebration*

15th August 1947 marks the day when our country gained Independence from the British. India celebrated its 77th Independence day this year. We had a short programme at 8:00 a.m. on this day in the English medium boys' hostel to celebrate the great victory. Chief guest of the day, Rev. Fr. Ajay Sardar, the Rector of our Institution was accorded a Guard of Honour welcome by the newly formed Scouts and Guides of our School. The flag hoisting was followed by the national anthem in which all the students, teachers and the parents participated. In preparation for the Independence day celebration, we had a week long practice which was initiated by former students of Don Bosco School Bandel. The three Rajya Puraskar Awardees, namely, Meghadri Ganapati, Rajorshi Chatterjee and Anushtup Dey prepared our children to take up leadership roles in school programmes. We are indebted to them for their generous support.

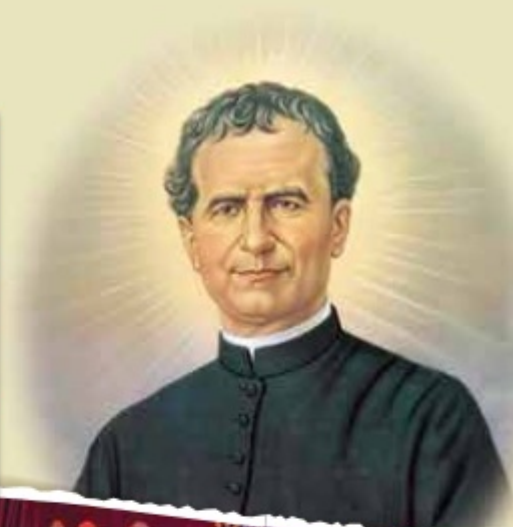

A solo dance was performed by Abhinav Chowdhury, a student from class 1 followed by patriotic speech recitation by Oishani Bhattacharya and Trisha Jaiswal from class 2 and 3 respectively. After the patriotic speech, students of class 3 sang a patriotic song followed by a group dance presented by students of class 2. At the end of this short programme Fr. Principal delivered a short message to the students about our nation's struggle for independence and made a special announcement of inaugurating Scouts and Guides movement in our school.

## BOSCO JAYANTI

August 16th is always a special feast day for the Salesian family. It is in fact, the day on which the anniversary of Don Bosco's birth is celebrated. Along with this celebration, our school congratulated the Jubilarians, Fr. Ajay, our Rector, is celebrating 25 years of

being a Salesian and Fr. C.L. Mathew our Confessor is celebrating 50 years of priesthood. We thanked God for these two jubilarians because of whom our Azimganj mission has grown bigger. There was a cultural programme with songs, dances, speech and skit enacting the heroic life of Don Bosco. The performance helped the audience to know the works and the hard time Don Bosco had to face, to be a teacher and friend of youth. We remember his inspiring words to the neglected youngsters of Turin, Italy, "for you I work, for you I play and for you I am ready even to give my life". Bosco Jayanti is celebrated each year and we look forward to this day with great happiness.

Miss. Anusha Pauria, (Teacher)
